## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 15-32 are allowed.

### ***Reasons for Allowance***

2. The following is an examiner's statement of reasons for allowance:

The amended claims 15-32 is hereby withdrawn in view of applicants' arguments set forth on pages 5-7 of the RCE filed August 16, 2007.

The prior art fails to disclose or render obvious the claimed combination including subdividing the measuring signal into a plurality of time windows within a single combustion cycle; examining each window to determine whether the combustion occurred with knocking, the examining including separately integrating a signal dependent upon the measuring signal in each of the plurality of time windows to produce a plurality of integrated signals associated with the single combustion cycle; and comparing results of the examining of the plurality of windows to each other for a final assessment of whether the combustion occurred with knocking.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***
